

Articulation Agreement of Academic Programs

between

Bristol Community College and UMass Dartmouth

The above institutions hereby enter into an agreement to facilitate the transfer of students enrolled in the Associate’s Degree program in Engineering Transfer: Engineering Science at Bristol Community College into the Bachelor’s Degree program in Civil Engineering at University of Massachusetts, Dartmouth.

University of Massachusetts, Dartmouth’s designated representative will be the Director of Undergraduate Transfer Affairs and Bristol Community College’s representative will be the Director of Transfer and Career Services.

Objectives:

1. To attract qualified students to Bristol Community College and University of Massachusetts, Dartmouth.
2. To promote and facilitate an efficient transition of transfer students between institutions.
3. To provide specific information and guidelines for transfer students.
4. To encourage academic coordination and cooperation, including curricular reviews, on-site visits, and joint academic advising for students attending Bristol Community College

Stipulations and Guarantees:

1. University of Massachusetts Dartmouth guarantees acceptance of Bristol Community College students who complete the Engineering Transfer: Engineering Science program with a cumulative GPA of 2.5.
2. Transfer students who complete the prescribed courses as designated in the attached articulation agreement with a C- or better will be guaranteed that sixty-six credits will transfer and be applied to the University of Massachusetts Dartmouth Civil Engineering baccalaureate degree.
3. University of Massachusetts Dartmouth guarantees a Massachusetts full tuition credit for Bristol Community College students who complete the Engineering Transfer: Engineering Science program with a cumulative GPA of 3.0. The tuition credit is renewable if GPA is maintained at 3.0 or better.

Mutual Responsibilities:

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.
2. Bristol Community College and University of Massachusetts Dartmouth will incorporate a summary of this agreement into official publications and web sites.
3. Bristol Community College and University of Massachusetts Dartmouth agree to encourage qualified students to participate in this program by providing information, advising and other assistance required to foster a seamless transition from the two-year institution to the four-year institution.

Review/Revision:

1. Both institutions will periodically review this agreement. Substantive changes in the courses or program of either institution will require a review of this articulation agreement. Revisions will be implemented with one year notice prior to termination of the agreement.

Note: Students that want to be able complete their degree at UMass Dartmouth in 2 years must complete **UMass Dartmouth's EGR 242 - Engineering Mechanics II: Dynamics** prior to transferring to UMass Dartmouth. This course is usually offered during the Spring & Summer Semesters. Enrollment in the spring may be covered by [the SACHEM Program](#).

*Students should speak with an [Engineering Student Support & Services \(ES³\) advisor](#) at UMass Dartmouth about proper selection of elective courses. Ideally you will want to choose courses from the following UMass Dartmouth departments to meet these requirements: ARH, ECO, ENL, HST, HUM, MUS, PHL, PSY, SOA, SSE. Use UMass Dartmouth's equivalency database (<https://webapps.umassd.edu/transfers/>) to see how BCC courses transfer.
