

Bentley University's Online Bachelor's Degree Completion Program in Business Administration

Program Overview:

Bentley University's Online Bachelor's Degree Completion Program in Business Administration is designed for working professionals who have accumulated college credits and have not yet earned an undergraduate degree. Students will complete online courses, delivered by renowned Bentley faculty, to gain the strategic business skills and understanding needed in today's workplace. Bringing together a cohort of like-minded students, in a flexible format designed to meet the needs of working adults, the program offers an enriching way to accomplish educational and professional goals.

Student Profile

- Working professionals who have either completed an Associate's degree, or have accumulated college credits and are interested in pursuing a Bachelor's degree in Business to help advance their careers
- Parents who stepped away from their education, ready to return and complete a business degree in a flexible format
- Military veterans or active duty service members interested in completing a business degree to transition back into the workplace

Students in the program will:

- Learn core business functions such as marketing, management, accounting and finance.
- Enhance their ability to identify business issues and evaluate solutions
- Become skilled at making professional presentations, and writing business documents that are clear, concise and logical
- Explore how technology can be leveraged to improve business performance and communication
- Benefit from liberal arts classes that directly connect to their business studies

What makes Bentley University's online degree completion program in business administration stand out from the rest?

- You can earn a business degree at a premier business university taught by experienced faculty
- Maintain the flexibility of online courses while enjoying interaction with peers and faculty using Bentley's sophisticated technology platform
- You benefit from a community of peers who move through the program with you
- With the program format you can pursue your education in a manner compatible with your schedule
