To reflect Bristol Community College's role as a charter signatory for the Presidents' Climate Commitment, Commencement planning used sustainable practices to reduce the carbon footprint. The reception utensils are cornstarch and plates and cups are paper. This program is printed on recycled paper, and the College reduced its use of paper by eliminating tickets and creating electronic signage. Join us by recycling bottles and cans in the recycle bins.

American Sign Language Interpreters: Genevieve Copley, Jonathan Brown Henry, and Cynthia Ramos

About those honored today

The Distinguished Citizen Award is presented annually to an outstanding local citizen whose character and achievements have enriched the life of the community, or to an individual who has made distinguished contributions in the fields of health, education, business, industry, labor, government, or the arts.

This year, the Distinguished Citizen is Fernando Garcia, owner and president of Fall River Ford. Mr. Garcia has continuously helped to bridge the gap between BCC and the Portuguese and Azorean communities. He personally ensured that BCC participated in discussions that led to agreements with the University of the Azores and the Public Library of the Azores, benefiting students and faculty in the exchange of culture, language, sciences, and healthcare. He has also been a strong supporter of the LusoCentro. A highly visible community activist, Mr. Garcia has dedicated his time supporting such causes as the Fall River Chamber of Commerce, Charlton Memorial Hospital, and the Prince Henry Society.

Bristol Community College's honorary **Professor Emeritus** award recognizes retired members of the faculty who are chosen by their peers for excellence in teaching and community service. This year's recipients are:

Alan Powers, retired Professor of English, began his teaching career at Bristol Community College in 1974. A prolific writer and respected scholar of Shakespeare, Giordano Bruno, and Renaissance Italian drama, law, and folklore, Dr. Powers generously shared his knowledge and passion for his subjects with his students. He served as chair of the English department and advisor to the student literary magazine, and he actively encouraged the study and celebration of poetry at the College. He received three National Endowment for the Humanities grants and was named Presidential Fellow in 2005, when he established the Center for Humanities to promote the performing arts.

David Warr, retired Professor of Biology and Chemistry, joined the faculty of Bristol Community College in 1971. His colleagues consider him an excellent teacher who is an advocate for students and faculty and the learning community at Bristol Community College. He served as chair of the Science department and was division chair, as well as president of the Bristol chapter of the Massachusetts Council of Community Colleges. He retired in 2003.

The Last Lecture is a faculty honor created in 2001 by the BCC Student Senate. The award honors one exemplary faculty member who has affected students' education and their lives in significant ways. The recipient speaks during the ceremony, outlining what s/he would share with only one more chance to say something to students. This year's honoree is **Dr. Eileen Synnott**, Professor of Biology.

Students wearing the gold stoles are members of **Phi Theta Kappa**, the national honor society of American community and junior colleges. Members must have earned at least 24 credits at the College with a 3.5 cumulative average or better.

The **Valedictorian** is selected to represent the class from the group of students with the highest academic accomplishments and College and community achievements. This year's valedictorian is **Tyler Hill '09**. Mr. Hill graduates *summa cum laude* with a degree in Liberal Arts.

The **Commonwealth Honors Program Scholars** offers a personalized and more challenging academic experience guided by committed faculty mentors providing rigorous preparation for transfer to competitive four-year programs. Students wearing gold chords have graduated as Commonwealth Honors Program Scholars.
