HEALTH SERVICES

774.357.2232 | f: 508.730.3286 | HealthSrv@BristolCC.edu

→ BristolCC.edu/HealthServices

Vaccine Requirements: In order to be registered at any institute of higher education, the Commonwealth of Massachusetts requires proof of immunization for Measles, Mumps, Rubella, Meningitis, Tetanus, Varicella & Hepatitis B for the following students:

- Full-time students taking 12 credits in any semester
- All students in Health Science and Early Childhood Education
- All students on a visa or student exchange program

Failure to comply will result in a hold being placed on your records, blocking registration for courses.

- Submit your immunization records to Health Services. These may be obtained from your doctor's office, elementary or high school, your State Board of Health, your town nurse or your military records. If you cannot access your records, you may get a blood test to prove immunity to Measles, Mumps, Rubella, Varicella and Hepatitis B; however, you will still need to provide proof of vaccines for Tetanus within the last 10 years and Meningitis if under the age of 21

 Students in the Health Sciences or Early Childhood Education programs have additional requirements. Those students should call Health Services for more information.

- If you are younger than 18 years of age, you must have your parent or guardian sign a **Consent for Treatment Form** to enable you to be treated for anything other than emergencies; these forms are available online and at Health Services

VIEWING YOUR BILL

E-Bill provides you with convenient, secure access to your BCC billing statement through your **accessBCC** account. Learn more at BristolCC.edu/eBill

You are responsible for checking your latest E-Bill and ensuring that it is paid on or before the due date.

! You have the option to grant access to your bill to a parent/guardian or authorized third party through *accessBCC*. If you do not select this option, you are responsible for providing a copy of the bill to them, if needed. If your charges are being paid by a third party, you must also contact the Student Accounts Office at 774.357.2160.

PAYING YOUR BILL

BCC offers you a variety of ways to pay your bill:

Online: with credit card* or checking account via *accessBCC*

Nelnet Campus Commerce Payment Plan*: This is not a loan program. There is no debt, no interest. No finance charges are assessed and there is no credit check. The cost to budget your interest-free monthly payment plan is a \$25 per semester non-refundable enrollment fee payable to Nelnet. APPLYING FOR FINANCIAL AID

To be considered for grants, work study, and/or loans to help with your college costs, apply for financial aid as soon as possible by filling out the **Free Application for Federal Student Aid (FAFSA)**. You must be admitted to an eligible academic program to receive financial assistance. Information and forms can be downloaded from our website: BristolCC.edu/FinancialAid.

If you plan to begin in either the fall or spring semester, you should complete the appropriate FAFSA form for that academic year. If you plan to attend a summer semester and then continue in the following fall semester, you will need to complete two FAFSA forms for two academic years.

BCC Priority Financial Aid Deadline

Fall Semester - April 1

Spring Semester - November 1

! If you miss the deadline, apply as soon as possible! Applications are accepted year-round, but remember that applying by the deadline will ensure that you are eligible for the maximum possible award.

! If your application is submitted late, you may need to make arrangements to pay your bill out-of-pocket until you receive a financial aid decision. You will also need to pay for your books on your own. Failure to make payment by the bill due date will result in being dropped from classes.

Financial Aid Payments

If you have a financial aid award that is greater than your tuition bill, you may also be eligible for a book advance, which can be used to purchase books at the College Bookstore at the traditional start of each semester.

Beginning mid-semester, financial aid payments are disbursed. Your financial aid award is paid out as follows:

1. Book advances are paid
2. Foundation advances are paid
3. Tuition and fees are paid

If any funds remain, the balance is paid to you through your selected refund method with Student Accounts. Check the college website for more information on advances and payments at BristolCC.edu/FinancialAid.

For information on using financial aid funds to pay for college health insurance or other non-institutional charges on your school bill, go to BristolCC.edu/FinancialAid/Authorization.
