

Experience Bristol Community College's diverse student population at the vibrant *International Festival* on Tuesday, April 23

International fashions, food, music, and the rich cultural diversity of Bristol Community College's international community of students will be showcased at this year's *International Festival*. The event will be held on Tuesday, April 23, from 9 a.m. – 1 p.m., in the Commonwealth College Center (G Building) atrium, on the Bristol Fall River campus, 777 Elsbree St.

While the fair is FREE and open to the public, participants who wish to enjoy an international cuisine lunch, prepared by the college's culinary arts program and international club, are asked to purchase a ticket for \$7. The event's international lunch will begin at 11:30 a.m.

The highly anticipated, engaging celebration provides the college community the opportunity to learn more about the cultural backgrounds of Bristol's widely ethnically diverse students through demonstrations, language and the arts.

The public is invited to join in as Bristol's English as a Second Language and International students will take turns teaching their native languages in workshops, visit cultural display booths and take in a fashion show displaying the cultural clothing of Bristol's international students.
