Student Change of Program Form

This form must be completed fully and signed by the student in person at one of the College Enrollment Centers, or scanned and emailed to recordsoffice@bristolcc.edu from the student's *accessBCC* email account. FAXES OF THIS FORM WILL NOT BE ACCEPTED. If you have any questions or concerns, please contact the Records Office.

| STUDENT NAME <i>(please print)</i> | STUDENT ID# | DATE |
|------------------------------------|-------------|------|
| | | |

| CURRENT Program <i>(use code from choice list on back of form)</i> | Program Code <i>(use code from choice list on back of form)</i> |
|--|---|
| | |

| NEW Program <i>(use code from choice list on back of form)</i> | Program Code <i>(use code from choice list on back of form)</i> |
|--|---|
| | |

I wish to change my current program of study to the new program listed above. **I understand that program changes requested after the end of the add/drop period of a semester will be processed in the following term/semester.**

Student Signature _____ Date _____

CHANGES OF PROGRAM:

Students may change their program or areas of concentration by completing a Change of Program Form through one of the college Enrollment Centers. A change of program will result in an update of academic requirements to the current academic catalog. Students changing their concentration within a program may retain their original catalog year. International students attending BCC on an F-1 visa must receive approval for program changes from the Registrar's Office. Grades already received in courses not applicable to the new program remain when computing the student's G.P.A. on the permanent record.

Transferring into certain programs, such as Culinary Arts, Clinical Laboratory Science, Dental Hygiene, Health Information Management, Medical Assisting, Nursing, Occupational Therapy Assistant, Phlebotomy, Pharmacy Technician, and Central Sterile Processing Technician may be limited by space availability as well as by the competitive nature of these programs. Please refer to the description of the program of interest for additional information on admission requirements and the academic background of competitive applicants. All programs will be filled on a space-available basis.
