Welcome back!

Welcome back, Bayhawks! We hope everyone enjoyed the summer and that your fall semester is off to a good start. At the EEC, our mission is to create opportunities that enhance student learning through collaboration and the integration of classroom theory with real-world, practical experiences. By engaging with EEC's Civic Engagement and Internship Programs students will:

- Gain valuable experience in their field of interest
- Develop awareness of community challenges and resources
- Enhance communication and interpersonal skills to work effectively with others
- Create connections to expand personal/professional networks
- Develop practice of critical thinking/reflection for life-long learning

Each month throughout the fall semester, an EEC newsletter will be released to keep you informed and up to date on EEC events, spotlight Bristol students, faculty and organizations that have engaged in the EEC's Civic Engagement and Internship Programs. Each edition will also include information on Bristol's College Central Network platform, which provides students and alumni with access to volunteer, service-learning, internship, and job opportunities.

Meet the EEC Team:

Pam Brown,
EEC Coordinator

Pam joined Bristol in 2019 and serves as the Experiential Education Coordinator for both the Service Learning and Internship Programs in the EEC.

Erin Smith,
Civic Engagement Coordinator

Erin joined Bristol in 2014 and serves as the Civic Engagement Coordinator in the EEC, helping students build connections with the local community through Service-Learning opportunities.

Mandie Pimental,
Clerk

Mandie joined Bristol in July 2021 and serves as Clerk in the EEC. She hopes to help students realize their full potential and achieve their goals.

Marco Rodrigues,
EEC Ambassador

Marco joined the EEC in the Spring 21 semester in a work-study position and serves as a Brand Ambassador, assisting with promotional initiatives and connecting with the campus community to raise awareness of EEC's Civic Engagement and Internship Programs.
