### ***Academic Information > Withdrawal Policy & Procedure***

***Students are responsible for withdrawing officially if they stop attending any or all classes. A grade of "WF" will be assigned to any student who stops attending a course but does not officially withdraw.***

Students are encouraged to consult with an academic advisor before making any changes to their schedule. Withdrawals effect Satisfactory Academic Progress and can place the student at risk for academic probation or dismissal. Students who use financial aid and who subsequently withdraw may be required to return some or all funds received.

Students may withdraw online in accessBcc, or via email to [enrollmentservices@bristolcc.edu](mailto:enrollmentservices@bristolcc.edu). Email requests must come from the student's Bristol college email address and must include the student's name, Bristol ID number, and course information (CRN and/or course and section number).

***Email from non-college accounts will not be accepted.***

Students withdrawing after the deadline are not eligible for a refund or reduction of charges. Contact the Fall River Enrollment Center at 774-357-2590 if you have any questions.
