

**Bristol Community College to host *Water Treatment Careers Awareness Night* on Wednesday, July 17, 2019**

Bristol Community College will host a *Water Treatment Careers Awareness Night* on Wednesday, July 17, 2019, from 6 -8 p.m., in room L101, Mathematics & Science Building (L Building), on the Bristol Fall River Campus. This event is free and all are invited to attend.

At the engaging event, Robert Rak, Bristol's Environmental Science and Technology Coordinator, will discuss the current demand for drinking water and wastewater treatment plant operators, both regionally and throughout the United States.

Presentations at the event will include information about industry organizations who are hiring, training requirements and earning state certifications. The event will also discuss training programs offered at Bristol Community College, as well as how to get registered.

Guests at the event can meet with employers and former students from the program who are currently employed in the field. This event is sponsored by the *Bristol Community College Blue Center for Water Technologies* and *New England Water Treatment Training (NEWTT)*.

For more information, please contact Robert Rak, Environmental Science and Technology Coordinator, by calling 774.357.2771, or by emailing [Robert.Rak@bristolcc.edu](mailto:Robert.Rak@bristolcc.edu).

**About Bristol Community College**

Bristol Community College is a leading resource for education and workforce development in Southeastern Massachusetts. Bristol has locations in Fall River, Attleboro, New Bedford, and Taunton, along with flexible online offerings that lead to an associate degree, a career ready certificate, or the ability to seamlessly transfer to baccalaureate colleges throughout the state and country. The college's Center for Workforce and Community Education provides customized training for businesses and the community including healthcare, workforce and sustainable initiatives, and corporate services. The Bristol Community College Foundation, a nonprofit organization utilizing community donations and partnerships, supports the college's mission to meet the lifelong educational needs of the community.
