Transfer Agreement Notes

- Students must graduate Bristol Community College with a cumulative 2.3 GPA to transfer to Bay State College.
- Students must have a grade of C or higher in each of their Bristol CC classes to transfer them.
- Science Elective: Students are recommended to take a 4-credit science course with lab.

Bay State College recommends students receive the following grade of a B- or higher in the following courses:

- Principles of Accounting I
- Principles of Economics-Macro
- Principles of Management

By fulfilling these courses with a B- or higher, students who transfer to Bay State will also be eligible upon completion of 90 credits toward their Bachelor's Degree to take four courses toward the MBA, MS in Finance, MS in Human Resource Management, MS in Healthcare Management, or MS in Business Ethics & Compliance at New England College of Business (NECB) while still pursuing their Bachelor's degree. These four courses count **both** toward the BS at Bay State College and the Master's program at NECB!
