Health Insurance

Students registering in nine or more credits for fall or spring semester are required by state law to have health insurance coverage and will be billed for this charge. (There is no health insurance charge for the summer semester.)

Please see the "Student Accounts" section in the Enrollment Checklist for more information and instructions on how to waive this cost if you already carry insurance. **Waiver must be completed before the start of the semester and must be waived each academic year.**

Other Costs

Other costs related to your education that will not appear on your bill include the cost of books (about \$800 per semester for a full-time student), travel to/from campus, dependent child care and additional expenses, such as food and school supplies.

VIEWING YOUR TUITION BILL

E-Bill provides you with convenient, secure access to your Bristol billing statement through your **accessBCC** account. Learn more at BristolCC.edu/eBill.

You are responsible for checking your latest E-Bill and ensuring that it is paid on or before the due date.

-  Your **tuition payment is due** each semester by a scheduled due date; if you register after this date, payment is due at the time of registration. If your payment is late, you are in jeopardy of losing your original course schedule.
-  You have the option to grant access to your tuition bill to a parent/guardian or authorized third party through **accessBCC**. If you do not select this option, you are responsible for providing a copy of the bill to them, if needed. If your charges are being paid by a third party, you must also contact the Student Accounts Office at 774.357.2160.

PAYING YOUR TUITION BILL

Bristol offers you a variety of ways to pay your bill:

Online: with credit card* or checking account via **accessBCC**

Nelnet Campus Commerce Payment Plan*: This is not a loan program. There is no debt, no interest. No finance charges are assessed and there is no credit check. The cost to budget your interest-free monthly payment plan is a \$25 per semester non-refundable enrollment fee payable to Nelnet. For more information and how to enroll, go to BristolCC.edu/PayOnline.

* A 2.75% service fee will be applied for credit card payments. Bristol accepts Visa, MasterCard and Discover.

APPLYING FOR FINANCIAL AID

To be considered for grants, work study, and/or loans to help with your college costs, apply for financial aid as soon as possible by filling out the **Free Application for Federal Student Aid (FAFSA®)**. You must be admitted to an eligible academic program to receive financial assistance. Information and forms can be downloaded from our website: BristolCC.edu/FinancialAid.

If you plan to begin in either the fall or spring semester, you should complete the appropriate FAFSA® form for that academic year.

State Priority Financial Aid Deadline: May 1

-  If you miss the deadline, apply as soon as possible! Applications are accepted year-round, but remember that applying by the deadline will ensure that you are eligible for the maximum possible award.
-  If your application is submitted late, you may need to make arrangements to pay your bill out-of-pocket until you receive a financial aid decision. You will also need to pay for your books on your own. Failure to make payment by the bill due date could result in being dropped from classes.

Book Advances

If you have a financial aid award that is greater than your billable costs, you may be eligible for a book advance, which can be used to purchase books at the Bristol Bookstore. Book advances can be used at the start of each semester.

Financial Aid is disbursed mid-semester. If any funds remain, the credit is paid to you through your selected refund method with Student Accounts. Check the college website for more information at BristolCC.edu/BookAdvance.

For information regarding your bill and Financial Aid check your **accessBCC** account for updated information.
