

# **BRISTOL COMMUNITY COLLEGE and FITCHBURG STATE UNIVERSITY**

Bristol Community College and Fitchburg State University agree to enter into an articulation agreement in the following academic discipline:

***Computer Information Systems:  
Game Development – Game Creation  
and  
Game Design***

This agreement is set forth by Bristol Community College and Fitchburg State University in an effort to delineate a transfer student's best options in course selection. This document outlines advising recommendations, curriculum options, and course equivalencies where they exist. It signifies the ongoing commitment between these two institutions of higher education to promote coordinated curricula of the highest quality. As such, it bears with it the commitment of our respective faculty, and administrative staff to strengthen these ties and address the needs of our students in a mutually beneficial manner.

Students graduating from Bristol Community College in the Computer Information Systems: Game Development – Game Creation program with a qualitative grade point average of 2.0 or greater may transfer to the Fitchburg State University Game Design program with between 62 and 75 transfer credits with the following conditions.

Acknowledging that students may transfer from a wide variety of majors, this agreement does not prohibit transfer to, or from, other programs of study at either institution. This agreement outlines the optimal transfer route from Bristol Community College to Fitchburg State University for students pursuing a career in the field of Game Design.

This articulation agreement does not supersede or in any way alter the statewide MassTransfer agreements currently in existence. Similarly, students taking advantage of the MassTransfer are encouraged to utilize these articulation agreements in preparation for their transfer to Fitchburg State University.
